

Test your new lighting design free for 90 days.

CONTACT

DEMO

PAY OR REFUND

ATG in the Air is our new trial program that allows our clients to demo a selection of our products for free on your business premises.

If your company is upgrading its lighting systems, reach out to the ATG in the Air program. We provide a **90-day obligation-free trial** of our products so your business can be sure it's making the right move.

We are offering 60 days of use to evaluate our fixtures.

To keep the products, simply pay the invoice at the end of 90 days. If you do not wish to keep the luminaires, simply contact our service department within the 90-day trial period. We will issue a credit for 100% of the original invoice once the items are received in good condition.
